

Moriah Student Branch Grand Opening!

We opened our second student branch this November at the Moriah Central School. The Viking Student Branch is conveniently located at the school store. The branch will be open during lunch hours every Wednesday and Friday, welcoming both students and faculty.

You'll also spot our amazing student ambassadors working side-by-side with a TrailNorth team member, helping with deposits, withdrawals, and even guiding new students and teachers through opening their very own credit union accounts.

Together, we're making banking more accessible and bringing hands-on financial education to our next generation of money-smart leaders!
