## Visa Account Updater Service Opt-Out Request

Visa Account Updater (VAU) is an account updating service in which your TFCU VISA Debit and / or Credit Card is automatically enrolled. This service is provided as a free benefit to you to help facilitate uninterrupted processing of your recurring payments. When your Card(s) expire, are lost or stolen and new cards are issued, the VAU service may update relevant card data (card numbers and expiration dates) to appropriate, participating merchants who participate in VAU. This service provides updates to a VISA database only.

If you opt-out of this automatic updater service, you will have to manually update your auto-charge merchants whenever you receive an updated TFCU VISA Debit and/or Credit card.

**If you wish to opt-out of the VAU service, please complete the information below:**
